

OVERVIEW

This programme opens the doors to positions as business lawyers, in-house counsels or compliance officers. It is a specific programme equipping you with techniques and skills to create strong company values. You will gain hands-on knowledge of the relationships between companies and their legal environment and an in-depth understanding of business law in international law firms and corporate legal departments. [LegalEdhec](#), a research centre led by distinguished EDHEC law professors, supports this programme.

"The LLM in Law & Tax Management is another example of EDHEC's distinctive competency in the field of both law and tax. It is designed to bring together our curriculum experience and our research activity. Our aim is also to bridge knowledge and practice in the field of business law." *Christophe Collard, Professor of Law*

"It is an original programme that brings to our students not only the technical knowledge and skills in the field of business law and tax, but we also put special emphasis on the link between these skills and the managerial and strategic objectives of companies. Therefore, our ambition is to contribute to the education of lawyers as modern business partners." *Christophe Roquilly, Professor of Law and Director of LegalEdhec Research Centre*
